“By enrolling in the hearing reminder program, you acknowledge that text notifications are a courtesy and do not relieve you of your responsibility to manage your hearing dates, times, cancellations, and modifications. You confirm that you are the owner of the cell phone number provided during enrollment. Please note that standard message and data rates may apply; it is your responsibility to contact your wireless provider for specific information regarding messaging usage and charges. The text messaging program is provided by Twilio, and Glenn Superior Court is not responsible for any delays you may experience in message transmission, as this depends on the speed and effectiveness of your network provider. The Case Management System may not have all of your cases linked. It is your responsibility to ensure you inform the Court what cases you want reminders for. Thank you for your understanding.”
